LITTLE SCHOLARS

YEARBOOK

DUCK CREEK POP WARNER FOOTBALL

Without the exceptional work and commitment made by each of our supporters, it would not have been possible to “kick off” the 2009 Season this year.

We would like to thank all our coaches, referees, sponsors, and game day assistants for all their hard work and dedication.

We would like to especially thank the parents for taking such a dedicated interest in their child’s athletic desires.

REMINDER

At the end of this book is the Banquet Information. The Banquet is our ONLY fundraiser, so please help support our league.

About Pop Warner

Pop Warner Little Scholars, Inc. (PWLS) is a non-profit organization that provides youth football and cheer & dance programs for participants in 41 states and several countries around the world. Consisting of approximately 360,000 young people ranging from ages 5 to 16 years old, PWLS is the largest youth football, cheer and dance program in the United States.

Pop Warner was founded in 1929, continues to grow and serves as the only youth football, cheerleading & dance organization that requires its participants to maintain academic standards in order to participate. Pop Warner's commitment to academics is what separates the program from other youth sports around the world.

As the only national youth sports organization that requires scholastic aptitude to participate, Pop Warner is committed to developing America's young people on the field and off. Each year Pop Warner continues to expand its efforts in team and activity participation, as well as visibility and outreach in the community.

Since 1929, the Pop Warner Programs Philosophy has been that athletics and scholastics go hand in hand. At every level, Pop Warner programs seek to develop well rounded young men and women who learn not only the fundamentals of football, cheerleading, and dance but also the importance of education in an atmosphere conducive to developing sound character while having a good time.

Pop Warner Objectives:

Familiarizing players with the fundamentals of football.

Providing youth the opportunity to play in an organized and supervised environment where the emphasis is placed upon total participation (everybody plays) and maximum safety.

Keeping the game free from adult and parental pressures to win at all costs.

Helping children understand that the classroom is as important as the playing field.

How The Pop Warner Objectives are met:

Players are matched by age and weight.

National and Local rules and regulations provide strict guidelines to maximize safety.

Coaches violating safety rules are subject to disciplinary action, including exclusion from the program.

Coaches agree to abide by the National Coaches' Code of Conduct and attend a locally sponsored Coach's clinic.

Pop Warner imposes a "Must Play" rule for all participants.

The rules of play have been modified through years of careful thought to suit Pop Warner players, such as length of games, practice schedules, etc.

All players must present scholastic eligibility, and players are rewarded for scholastic achievement.

There is a strict certification process to verify age, weight, physical fitness and scholastic eligibility.

Duck Creek Pop Warner Football Banquet
Thursday, October 15, 2009

To: Team Coordinator/Team Parent

Last year we had great success in receiving donated items for our silent auction. We would like to give a BIG thanks to everyone that contributed.

Along with special donated items, we had each team put together a theme basket. We would like to ask each team to once again put together a basket. There is a few ways to make this an easy task:

- Collect a small amount of money from each family and then go out and purchase the items.
- Ask if someone's place of employment would be willing to donate any items.
- Go to any business and solicit donations directly.

Attached is a copy of the "thank you for your contribution" letter to be given to any business you do get a donation from, our tax identification number is included. Please contact John with your team's theme basket idea or for any other donations you receive 434-3408.
