

2010 EQUIPMENT PICK UP SCHEDULE

Sunday, August 8th pick up starts at 2:30 p.m.

Coaches: remember to conduct your coaches meetings AFTER equipment pick up at the Black Forest restaurant. We are using this as a fundraiser for our new multi-use park.

To make this work we need to get the equipment picked up as quickly and orderly as possible.

The all you can eat pizza party is \$5.00 per person.

We will have our photographers on hand to view their offerings.

You will need to hand out your equipment check off sheets, located in the back of your binder. Each player needs one to get his equipment.

Please make sure to keep your team, (boys as well as parents) organized and together.

You will receive your team bags and a couple blocking dummies at the time of the pickup. The large dummies are approx 4' tall and about 30lbs. The smaller hand shields are easily manageable.

****PLEASE HAVE YOUR PARENTS PARK AT VILLAGE LANES****

The next page will contain the details and schedule of the equipment pick up.

Please feel free to contact me with any questions you may have.

Jason
