

Duck Creek Pop Warner Football League, Inc. Sponsor Program

Duck Creek Pop Warner Football League is seeking contributions and team sponsors for the upcoming season. We are expecting about 300 children between 8 and 13 years of age to enjoy our structured tackle football program. We reach out to parents and children who would like to take advantage of this great opportunity to learn the fundamentals of tackle football, develop skills, and participate in a disciplined team environment. The Duck Creek Pop Warner Football League is unique in many ways. We instill scholastics, good sportsmanship and leadership. The league has a mandatory play requirement that requires coaches to play every player; minimum of 12 plays every game. We accept No Exceptions!

As a non-profit organization, our program is dependent on player fees, fund-raisers, and external individuals / businesses as our sources of revenue. Our goal is to keep our program affordable to allow everyone interested to participate; our player fees remain under \$120 per player. The actual cost to the league is nearly \$250 per player for equipment and insurance. In addition, the league supplies teams with equipment (practice dummies, first aid kits, and footballs) and has various operating expenses. We expect to raise additional funds through product sales. However, the balance must be obtained by contributions from individuals/businesses in our community who are interested in supporting the development of youth football.

Our Team Sponsors contribute a minimum of \$750 to the league. In recognition, a team will bear the sponsor's name on its jerseys, the sponsor's name on all printed materials, a large banner at playing field with team sponsor name, a full page advertisement in our player program, and your company name on our website (DuckCreekPopWarner.net) with a link to your website. In the past six years, teams from our league have been selected to play half-time exhibition scrimmages during a Packers' preseason games, pre-game at Family Night and at several high school games. We need to secure all team sponsorships by May 31st to insure enough time to order equipment and uniforms. All tax-deductible contributions will be accepted.
